

# SAFER GAMING FOR KIDS

## TOP NINE TIPS

- 1 Keep consoles in sight**  
Get kids to use the console or computer in the living area
- 2 Add parental controls**  
Restrict access to content and prevent in-app purchases
- 3 Teach privacy rules**  
Don't let them include their real name in their screen name
- 4 Keep them engaged**  
Ensure your kids participate in sport and spend time with friends
- 5 Monitor time**  
Keep track of how much time kids spend gaming
- 6 Empower kids**  
Instead of telling kids what to do, empower them to make smart choices
- 7 Play along**  
Understand the game they're playing, how they react and communicate with others
- 8 Click bait**  
Teach them not to click on links in games, such as cheats or help as it might
